Very early Christmas morning in snowy oak tree wood
lived an elf.

His name was Efy.

Efy was very very wise. There also lived Melfy the elf.

Melfy was very very foolish. Melfy spent all his money on
a house.

Efy was happy with his house.

Melfy was very hungry. Melfy went to Efy.

Efy said here's some gold. Melfy spent it.

He sold the things. He got money.

He kept doing that.

The End.
