## Feeling

Once there was a dry ant

The rain came down

Then he was a wet ant

The sun came up

Then he was dry again.

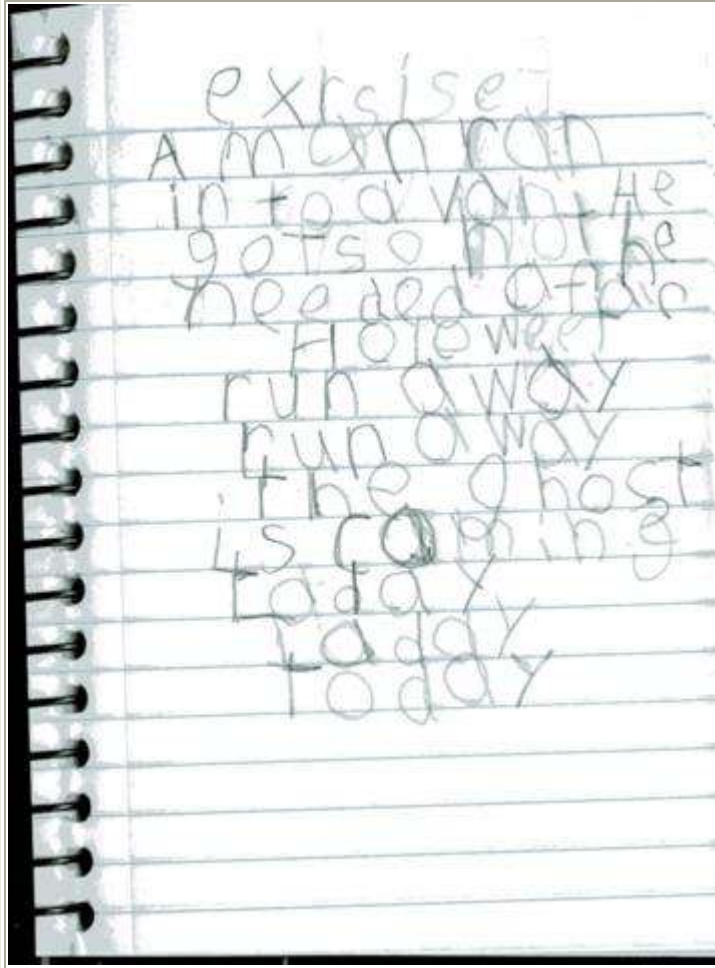

Once there was a happy mouse

A cat chased the mouse

Then he was a scared mouse

He ran in his house

Then he was a happy mouse

Exercise

A man ran

in to a van

He got so hot

He needed a fan.

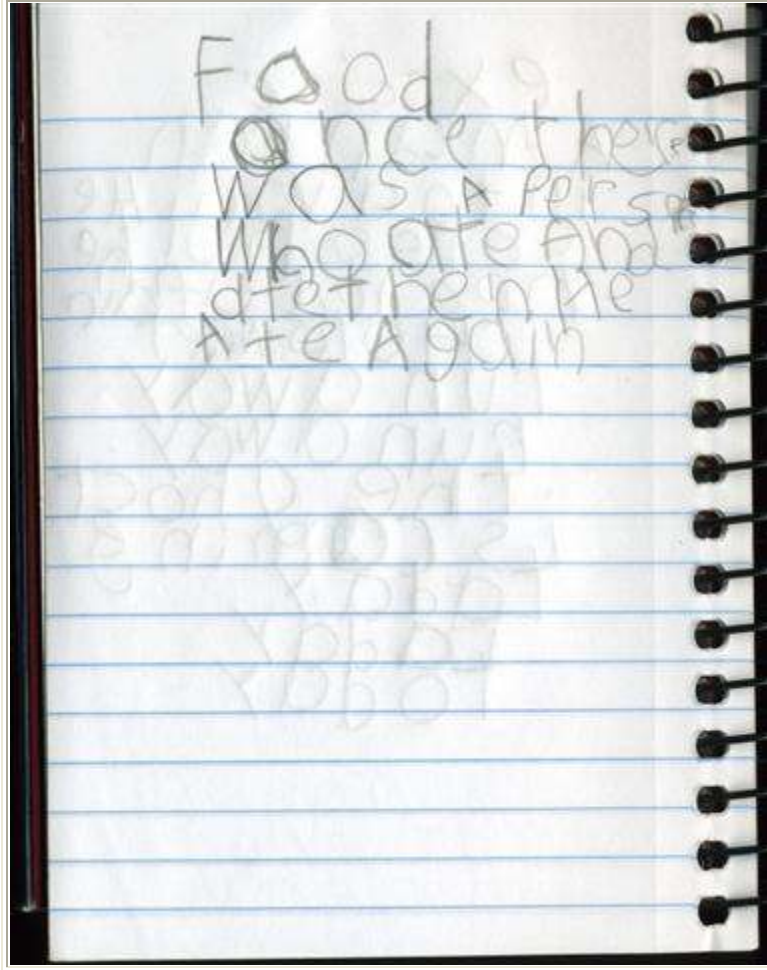

Halloween

Run away

Run away

The ghost is coming

Today, Today, Today

## Food

Once there was a person

Who ate and ate

then he ate again.
