If you look, you could find
Snich.

Snich was a snake!

He was friendly, if you had a
flute.

Otherwise, you get bit.

Snich loved flutes.

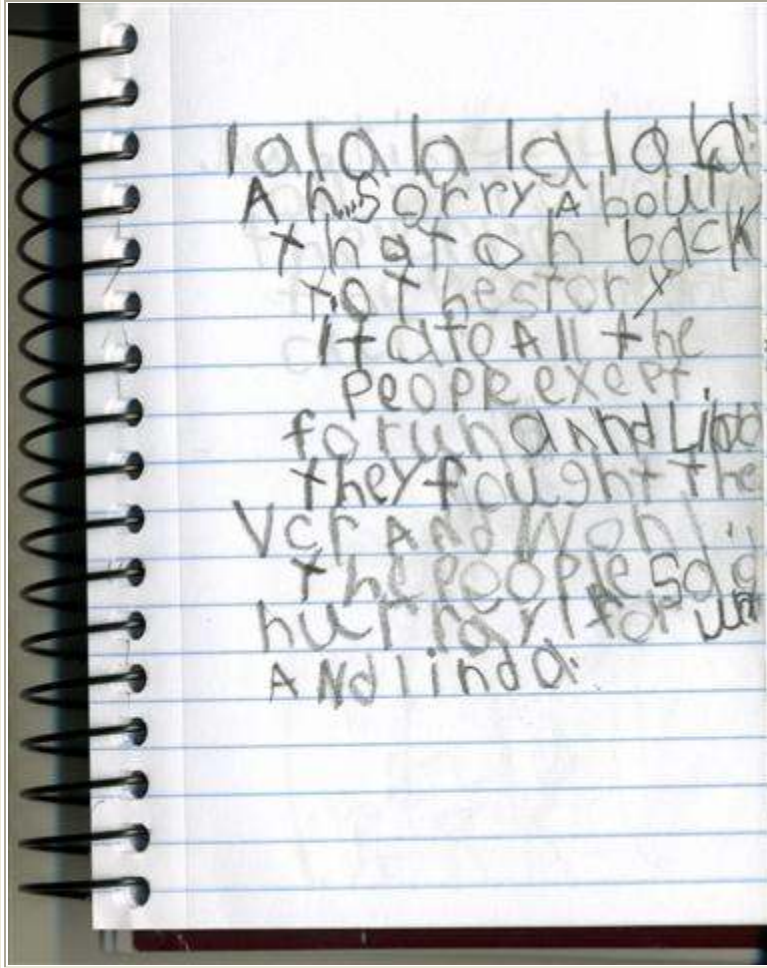

One day, he went to the lake
to swim.

When he spied the biggest
flute.

It was really a crocodile.

He try to play it.

It went snap !!!

He ran as fast as he could.

He knew not to fall

for that trick again!

(Note: the title is the ironic part here that he really liked best)
